Together... Building Brighter Futures!

Our Lady Star of the Sea School Auction 2010

November 20, 2009

Dear Our Lady Star of the Sea Families, Parishioners and Alumni,

We are very proud to serve as honorary chairpersons of the annual Our Lady Star of the Sea Catholic School auction! This year's theme, "**Under One Star: Together... Building Brighter Futures**", focuses on uniting the Our Lady Star of the Sea community to continually provide our children with an exceptional education rooted in Catholicism. OLSOS has long been a pillar in our community exemplifying excellence in education integrated with faith.

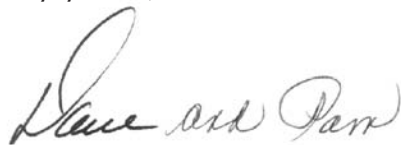

In 1998, OLSOS was given the great distinction of being named **one of only two Michigan Catholic schools with an elite NCA accreditation**. Our teachers and students work hard year after year to maintain this success. The auction funds help us to sustain our efforts and uphold our high standards. Therefore, we hope you will accept this invitation to join us as Patrons for the 2010 Auction.

Over the years, the annual auction has become the school's largest fundraiser. Each year, auction money goes directly to our school. Some years it has been used for Promethean Boards, new computers, classroom improvements, etc. Other years, the funds have helped to sustain numerous specials programs during challenged financial times. This year, auction proceeds will continue to be used for the greater enhancement of the education of our students.

Please join us, along with Matt and Connie Lucchese, to make this year's campaign a success! If you have any questions regarding the Patron campaign, please contact Matt or Connie at 313-882-2895.

Thank you for your very kind consideration of this worthy cause, "**Under One Star: Together... Building Brighter Futures**"!

Very truly yours,

David & Pamela Barthel
